Hi Leigh,

The other thing I wanted to run by you today was to see if you'd be willing to be part of a 'brain trust' meeting to help me think through some policy options on the Deschutes. I'd be happy to explain more to you on the phone in the next few days/weeks, but basically I'd like to brainstorm ideas

Anyways, I'm looking to set up a meeting for late Jan/early Feb – if you have the time to participate, I would really appreciate it. I can look at calendars for availability.

Thanks!
